

96. Job Advertisement: Professorship in General and Analytical Chemistry

Montanuniversität Leoben, Austria, has a vacancy available for a

University professor
in the field
General and Analytical Chemistry

(successor of O.Univ.-Prof. Dipl.-Ing. Dr. Wolfhard Wegscheider)

to be filled by 1 October 2018 in the form of permanent full-time employment with Montanuniversität Leoben under civil law pursuant to the Salaried Employees Act.

Montanuniversität Leoben is looking for an internationally renowned researcher in the field of general and analytical chemistry who is active in research as well as teaching and has excellent references in the field of analytical chemistry. The professor will be responsible for the education in general chemistry of all engineering students and will therefore need excellent didactic and pedagogical skills. In his/her research activities he/she should be able to refer to the research fields of Montanuniversität Leoben.

Requirements for the appointment are a completed university education in Austria or equivalent higher education abroad, an appropriate PhD degree, a habilitation or equivalent qualification in the field of analytical chemistry, an appropriate work experience abroad and fluency in German and English.

The appointment is classed in category A 1 according to the "Universitäten-Kollektivvertrag". In this category the standard monthly salary amounts to € 4.891,10 before taxes. Salaries are paid 14 times per year. Depending on the qualification the university offers a higher salary.

Montanuniversität Leoben aims at increasing their number of female employees and thus calls explicitly on qualified women to apply for this position. In the case of equal qualification, female applicants will receive preferential consideration.

Please submit your application in English, sending the usual documents as well as five of your publications, which you regard as most important and in which the significant part originates from yourself; documentation of selected relevant projects, presentation of your research plans with respect to the research fields of Montanuniversität Leoben by mail in paper form as well as via CD-ROM or USB-flash drive to the rector of Montanuniversität Leoben, Univ.-Prof. Dipl.-Ing. Dr.h.c. Dr. Wilfried Eichlseder, Franz-Josef-Straße 18, 8700 Leoben, to be received until 18 August 2017 at the latest.

For further information please contact the chairman of the appointment committee, Univ.-Prof. Werner Sitte, Franz-Josef-Straße 18, 8700 Leoben, Tel.: +43 3842 402-4800, Fax: +43 3842 402-4802, E-mail: werner.sitte@unileoben.at, <http://www.unileoben.ac.at>.

The Rector:

Univ.-Prof. Dipl.-Ing. Dr.techn. Dr.h.c. Wilfried Eichlseder
